Brenda Grampsas is an American Quilters Society Quilt Appraiser, certified in 2005. Appraisal services include written appraisals and/or verbal evaluations for contemporary, vintage and antique quilts and other quilted textiles.

Written appraisal fee: \$65.00

Verbal evaluation: \$25.00

Brenda has a lifetime of sewing and quilting experience with a passion for all things quilted. Her experience in teaching the “how to” of quilting extends not only to adults but many years of quilting classes with children and teens. Watching others catch the “quilt bug” through her shared trunk shows, lectures and workshops feeds the natural teacher in her. She is inspired by quilts from many eras and is especially fascinated by scrap quilts because of their wide range of fabrics. Brenda is very involved in the restoration of quilts. Teaching others the art of restoration has become advantageous due to the many requests for restoration service.
